Dear Mr. Scott,

It is with great pleasure
that I am writing to thank you and
your staff for the manner in which our
recent wedding reception was conducted.
We had many compliments from our
guests who were all favorably impressed
by the decor, the flowers, the friendly but
unobtrusive service and particularly
by the quality of the lunch. We would
especially like to mention the attention
to detail shown by Salvador & his
staff.

With our best wishes,

Marguerite + Geoff Francis

Dear Symon

We are writing to you today to congratulate the Club, its staff and administration for what turned out to be an extremely successful function held last Saturday evening, 8th November.

It was the engagement party of our son Lachlan and his fiancée Sarah Christie. The professional assistance with the preparation and planning of the party was provided by Salvatore Barbera. From the early stages of securing a suitable booking date, his advice and recommendations for planning the evening with regard to menu and beverages were most sound and very helpful indeed. Also his administration of the process and the timely provision of the account were welcomed.

During the evening everything progressed very smoothly. We would like you to pass on to the floor staff, especially Carol Rogers with the able support of Shannon, Jess, Adam and Brintley our sincere thanks and congratulations in providing us with a standard of service second to none. The quality of the canapés, desserts and cheese platter was exemplary.

Our guests were very impressed with the venue, food and drinks, and the service provided. It made Laurel and I proud to be hosts of such an evening. It also progressed the Avondale Golf Club's reputation as a provider of high class functions.

On behalf of the Christie and Cameron families, we thank all involved for such an enjoyable and stress free evening.

Kind regards,

Rob and Laurel Cameron
